

The Lawyer's Prayer

Good Morning and Happy New Year!!

I thought the prayer below would get the New Year off on to right start:

The Lawyer's Prayer (by Ramona K. Cecil, Esq. - circa 1991)

Lord, help me
as I practice law
to do the best I can,
to always use it
for the good
to help my fellow man.

May I work
within the law
to guard the precious rights
of those who have
entrusted me
to settle their legal fights.

Let me not abuse
my knowledge
or use it just for gain,

But protect
my fellow citizens
and help to ease their pain.

Lord, let me practice
Your laws first
that everyone shall see,
the kind of Godly lawyer
that you would have me be.

Amen.

I hope you have an amazing day, and a new year that brings all the best!!
