

Divine Time Management

In each of my prayers every morning I ask the Lord to "order my steps".

What I mean by that is:

1. Please set the direction, pace, and goals for the day;
2. Please cut way down on the time it could take me to complete each task;
3. Please intervene in my schedule whenever and wherever, and however You please with opportunities to help someone else;
4. Please help me stay focused, super-efficient, and super-productive;
5. Please help me find rest and/or peace throughout the day when needed;
6. Please keep me righteous in everything I undertake to do.

I bet you never knew so much could come out of just three simple words: "order my steps Lord", okay four words :-)

Prayer is an amazing time-saver!

I hope you have an amazing day!!

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:
