to Achieve Their Full Potential*

Our Mission

To Eradicate Delinquency and Unify Global Communities

by:

1. **Rescuing** Young persons from the prison pipeline and helping to restore & re-direct their life trajectories;
2. **Teaching** New and fledgling Community and Faith-Based organizations to become fundable, to thrive, and to maintain accountability & compliance; and
3. **Training** Justice Stakeholders with a passion for effective careers in the Justice network.

One Community; One Vision

The Advocacy Foundation's primary focus is to liberate individuals and communities from the *root causes* that influence marginalization by providing constructive and alternative initiatives that are Evidence-Based, Whole-Community Inclusive, Proven to Achieve Positive and Lawful Outcomes, and That Achieve Community-Wide Superior Quality of Life Social Return on Investments.

Since its founding in 2003, *The* Advocacy Foundation has become recognized as an effective provider of support to the individuals, organizations and communities we serve. We are currently engaged in numerous Community and Faith-Based Collaborative initiatives, having the overall objective of eradicating all forms of violence, and correcting injustices everywhere.

In carrying-out these initiatives, we have adopted the Evidence-Based Strategic Framework developed and implemented by the Office of Juvenile Justice & Delinquency Prevention (OJJDP).

The stated objectives are:

- Community Mobilization
- Social Intervention
- Provision of Opportunities
- Organizational Change and Development
- Suppression [of illegal activities]

Moreover, it is our most fundamental belief that in order to be effective, Prevention and Intervention strategies must be *Community Specific, Culturally Relevant, Evidence-Based, and Collaborative*.

Humanitarian Support & Programs Outreach

The Advocacy Foundation encourages and supports a diverse universe of radically forward-thinking and unique evidence-based basic and advanced initiatives designed to achieve long-term Come-Unity Re-Engineering, Sustainability, Collaboration, Due Process, Community Engagement, Neighborhood Revitalization, Domestic & International Missions, Judicial & Redemptive Justice, Institutional and Systemic Reformation, Community Empowerment, and Educational Reform.
